Our newly constructed, state-ofthe-art pet shelter and adoption center includes an entrance walkway and courtyard specifically designed to honor pets, people, businesses and community groups that have supported our no-kill shelter since our founding in 1960. By securing one of the custom engraved brick pavers to be permanently displayed at our new facility, you are ensuring that The Humane Society Naples will continue to provide life-saving care, shelter and adoption services to pets in need for many years to come.

The Humane Society Naples is Southwest Florida's premier no-kill pet shelter, adoption center, humane animal clinic and professional dog training provider.

Please help our community's orphaned pets with the purchase of your family or organization's own custom engraved paver at The Humane Society Naples!
