

DATE OF DONATION \_\_\_\_\_

The Beaverton Education Foundation and Beaverton Friends of Music are pleased to collaborate on an instrument donation program for our public schools.

Our goal is to ensure that every sixth grader who wants to participate in school band this coming fall is able to do so. Your donated instrument will be lent to a student whose family cannot afford to rent or purchase an instrument.

We are currently gathering flutes, clarinets, trumpets, and trombones in any condition. Other instruments can be accepted. If you would like to donate a piano or organ, we will call you to make necessary special arrangements.
