

BARBERS HILL

“100 CLUB”

2014 MEMBERSHIP INFORMATION

The Barbers Hill FFA Sales Committee and Young Farmers would like to invite you to become a member of the “100 Club”.

The purpose of the club is to allow area residents to participate in the CHAMBERS COUNTY YOUTH PROJECT SHOW auction. By supporting the youth of Barbers Hill, you are investing in their future. “100 Club” members donate \$100 toward the purchase of livestock in the Youth Project Show sale. After the animals have been purchased (steers, hogs, lambs, goats, rabbits and broilers), a drawing will be held among the “100 Club” members for these animals. All “100 Club” members receive a special cap or bag and will be recognized on the show grounds with a poster listing all members.

Our objective is two-fold: 1) to reward students for their hard work, and 2) to keep sale prices at a level at which the students will make a profit for future agricultural projects or college savings. The Sales Committee’s goal is to reach buyers who may not be able to attend the auction.

This year’s show will be held April 30th – May 3rd, 2014 at White’s Park in Anahuac. Over the past 58 years, thousands of Barbers Hill youngsters have benefited from the exhibition of livestock. Many leaders in our community participated in 4-H and FFA and learned first-hand the value of these programs. We must remain committed to maintaining these programs in order to ensure continued success in training productive citizens for the future.

The 2013 Youth Project Show Auction was a great success because of our businesses and individuals such as you, who are dedicated to our youth in giving your time, consideration, and resources. The “100 Club” will make every effort to compensate Barbers Hill students for their hard work and dedication.

The Barbers Hill FFA Sales Committee would like to extend a special thank you if you were a member last year and thank you for your consideration and support in joining our “100 Club” membership roster for 2014.
