Video Production Contract

This is a written agreement between Phuzion Media Group and _____ in regards to the production services provided for project(s) discussed. With any created content produced by Phuzion Media Group, it is understood by _____ that we can use all material created and produced on project(s) for portfolio and marketing purposes.

VIDEO PROJECT TERMS

Video project(s) produced by Phuzion Media Group intend to deliver the project(s) in the estimated time frame and budget of client. Video project(s) will be reviewed and critiqued by client(s) to their satisfaction within original project parameters before being finalized. If there are circumstances that require an extended time frame to complete project(s) as a direct result of Phuzion Media Group, we will work with client in finding a solution to compensate for delays. If estimated time frame of video project(s) are extended due to revisions that require things such as additional footage, other intellectual resources to be created or further adjustments of project(s), Client(s) will be subjected to additional production fees in addition to the predetermined expense of project(s).

PAYMENT

Payment for video project(s) can be paid through paypal, cash, or checks (cashiers preferred). All video projects require a deposit at start of project of 50% of project cost. Deposit is **non-refundable**. The deposit serves a part of the agreement in which the client has made with Phuzion Media Group. A deposit is subject to refund if project(s) terms or scheduling has been changed by Phuzion Media Group itself because of unavoidable circumstances. Upon completion of project(s), remaining balance must be completed before delivery.

DELIVERY

Video project(s) after completion will be delivered to client(s) in digital format through a file transfer service such as dropbox, wetransfer or google drive. If other formats are needed by client(s) such as DVD, a small fee may be required for authoring and material cost.

I _____ have read and understand the terms agreed upon with Phuzion Media Group for video production services.
