Student Pick-up Procedure & Emergency Contact Form

Because our teachers are parents too and also have their children in activities and at daycare, we strenuously insist that parents/guardians be prompt in picking up their student from After School programs. If a student is picked-up late, Eagle Ridge Academy will remind the student and parent/guardian of the pick-up time. Excessive tardiness or discourteous behavior or actions toward a teacher/instructor may result in loss of School Program privileges without refund of program/club fee.

***All Students should be dropped off or picked up at the Front Main Office doors.**

I have read and agree to the above Pick-up Procedure.
