NOTE: We cannot administer medication that is not in its original container, labeled by the pharmacy with child's name, address, dosage, & Frequency. Please label over the counter medications with name and dosage.

Girl Scouts of Northern California

Part 7: Parent Consent

I give permission for my daughter to receive treatment for routine medical and/or first aid needs as outlined in the Treatment Protocols and for the administration of prescribed medications. I understand that in the event of an emergency, every effort will be made to contact a parent/guardian or emergency contact. If no contact can be made, I hereby give authorization to Girl Scouts of Northern California to give emergency medical and surgical treatment and hospitalization as necessary for my child and/or dependent minor by a licensed physician pursuant to Section-6910 of the civil Code of California. I know of no reason(s) other than the information indicated on this form, why my daughter/dependent should not participate in prescribed activities.

Parent/Guardian Signature:		Date:		
using this information for the benefit of the participal necessary information may be shared with event staretained by the sponsoring council or GSUSA until it the participant. Access to the information will be lim	cerns at the specified event onl ant. All medical records will be ff/volunteers in order to provic is destroyed. All forms/records lited, but copies may be reques	y. All records will be handled by staff/volunteers whose job includes processing or held in limited access by the health care supervisor of the specific event. Minimal de adequate participant safety and health care. The health history record will be with noted treatment will be retained for seven years past the age of maturity of ted from the event sponsor, by the participant or their legal representative. I have agree to the release of any records necessary for treatment, referral, billing or
