PRESIDENT'S LETTER—

You Are In Good Company

When I Googled watercolor society, Watercolorpainting.com>>art links>>watercolor societies listed eight dozen web sites.

Of those 96 societies, the out of state listings were as follows: France, Italy, Canada, U.K., Russia, Belgium, and Singapore.

Portrait Society of Canada [PSC] is before the Red River Watercolor Society and Rhode Island Watercolor Society [RIWS] follows our listing.

The cost is \$100 to be a member of the PSC with 142 members listed on their web site.

At RIWS it would cost you 50 dollars to be listed with their 339 members.

In 2014 the Red River Watercolor Society listed 186 members and our fee was only 20 dollars.

Have you sent your renewal fees in for 2015?

If you have already made your financial commitment for 2015 there are other ways to show your support.

You are in good company being a member of the Red River Watercolor Society.

—Dave Olson / President

A note for our new members: WELCOME!

Our newsletter comes out once a month. You can send news of awards you have received, workshops you are going to teach, short articles, etc. The more information we put into each issue, the more interesting our newsletter becomes.

I reserve the right to edit the items sent and ask if you have a lengthy article, please condense it to pertinent information.

I do recognize many of your email addresses but appreciate it if the subject line says "RRWS News"...or is sent as a "Reply" to my email [which most of you do]. When I email to you, I always try to put RRWS on the subject line so you don't have to wonder who is sending the message.

When you send information for the newsletter, if you have **Signature Status in RRWS**, I will add that behind your name, but because I don't know the other societies that you may have signature status in, you must put them in your information to me **each time**. This is the only way they will be added. Those who have signature status in many societies, please list only 3-4 of your favorites! Thanks.
