

Science Fair Project Proposal Form

Foxborough Regional Charter School 2013-2014

Dear Parents and Students,

Each student entering a project in the science fair must complete a proposal form indicating the project idea. A testable question and formal hypothesis must be completed. Students should also include a few sources from which they derived their ideas.

Students wishing to partner up with an Invensys mentor and work on a project related to Alternative Energy must have this form submitted to Mr. Pavao by June 7th. All other students entering high school and participating in an honors course must also complete this proposal form by June 21st.

MY TESTABLE QUESTION:

MY HYPOTHESIS that I will test with my experiment is:

If

Then
