Tahoe's locals ensuring a solid future for Tahoe's kids.

If every resident of South Tahoe contributes just \$25.26 per year, the Lake Tahoe Boys & Girls Club will have the needed funds to provide our kids the programs they need: education, technology, arts, sports, mentoring and more.

This local program will guarantee the annual budget necessary to provide for more than 800 kids (and growing). That's less than the average money spent on coffee per year.

Bronze Membership

An annual donation of \$25.26 means 2 hours of program activities & supervision for 20 kids.

Silver Membership

A \$252.60 investment provides equipment and supplies for 10 kids to participate in a fitness/sports program like basketball, soccer and baseball for one year.

Gold Membership

A annual donation of \$2,526.00 guarantees 100 kids receive programs including arts, reading club, photography, tutoring, environmental, anti-bullying, drama, job readiness and technology for one month

We know that not every resident can contribute, so we have programs where folks who'd like to help can help cover for others.

Small Business Sponsorship Programs

Here's an opportunity for your entire team to support the Lake Tahoe Boys & Girls Club. Each employee donates half the annual fee which is then matched by ownership. Your company receives numerous exposure opportunities related to the program: inclusion at a kick-off press conference, website, ads, communications and community outreach.

Corporate Sponsorship Programs

Presenting Sponsor for \$25,262.52 your company can be a presenting sponsor for the entire program with name and logo included in all outreach to businesses, media and individuals; prominent designation in all materials and mentions of the program. Your sponsorship would be announced at the kick-off press conference with a presentation from your selected representative.

A year round package of benefits would also include four foursomes during our annual golf tournament at Edgewood Tahoe along with tickets to multiple other events. The company would be featured at the kick-off press conference with a presentation from your selected representative. Your company name would be included in all pertinent information distributed by the Lake Tahoe Boys & Girls Club throughout the year. You'd be invited to participate in publicity opportunities for programs at the Club throughout the year to reinforce your participation as a major donor.
