

## **Certified Pool-Spa Operator<sup>®</sup> (CPO<sup>®</sup>) Training Course February 26 & 27, 2015**

**By  
National Swimming Pool Foundation<sup>®</sup>  
Facilitated by  
Gregory Marsh, C.D., B.Sc., C.P.H.I. ( C )  
On behalf of  
Oasis Leisure Centre**

### **What Is The Certified Pool-Spa Operator<sup>®</sup> (CPO<sup>®</sup>) Program?**

The Certified Pool-Spa Operator<sup>®</sup> (CPO<sup>®</sup>) program has delivered more training than any other program in the pool and spa industry since 1972. In that time, more than 200,000 successful CPO<sup>®</sup> certifications have been awarded in 44 countries.

The CPO<sup>®</sup> Handbook, which is provided with course registration, has been updated to include the most current information available. The addition of metric calculations has also been included in the Handbook.

### **General Information About The CPO<sup>®</sup> Certification Program**

- The CPO<sup>®</sup> certification program requires participation in a two day class taught by a certified instructor.
- The CPO<sup>®</sup> certification program includes pool and spa chemistry, testing, treatment, filtration, maintenance, automatic feeding equipment and regulatory requirements.
- The CPO<sup>®</sup> certification program requires an open book written examination. Participants must score 75% or higher to receive certification.
- The CPO<sup>®</sup> certification is valid for five years.

### **What Are The Benefits Of The CPO<sup>®</sup> Certification Program?**

- Proven educational tool
- Covers topics necessary for pool operators including a section for local legislation
- Comprehensive handbook included with the course registration
- All courses taught by an NSPF<sup>®</sup> certified instructor (Greg Marsh)
- The CPO<sup>®</sup> certification is recognized nationally and internationally
- Gives participants a better understanding of the operator's role in pool care and management

### **Who Should Attend The CPO<sup>®</sup> Certification Program?**

All operators, owners, managers, service company personnel, Public Health Officials or anyone else who may have a role in the operation of an aquatic facility. The fact is, operators who have taken the CPO<sup>®</sup> Certification Course will manage a facility more economically, efficiently and safer once they have a better understanding of the facility and their responsibilities.

### **The Instructor**

Greg Marsh is a certified instructor with the National Swimming Pool Foundation (NSPF<sup>®</sup>).

Greg has developed an extensive knowledge of commercial facilities and also sat on the Provincial Review Committee that reviewed the *Swimming Pools and Other Water Recreational Facilities Regulation (MR 132/97)*.

Greg holds a Bachelor of Science from the University of Manitoba and has extensive experience with pool and spa operations and safety procedures.

## **The CPO<sup>®</sup> Course**

The course includes presentation, discussion and application of information on:

- Responsibilities of Aquatic Facility Operators
- Pool Circulation and Recirculation Equipment
- Water Sanitizing & Chemical Balance
- Water Testing
- Aquatic Facility Operation, Problems & Chemical Adjustments
- Aquatic Facility management & Maintenance
- Care of Seasonal Pools
- Energy Conservation & Management
- Disease Transmission & Injury Prevention

### **Certification Requirements**

Certification is **not** based solely on registration and/or payment of the course fees. Students taking the CPO<sup>®</sup> Course are required to attend **all** sessions of the program, and score at least 75% on the final written examination.

Successful course completion results in the student becoming a Certified Pool/Spa Operator by the National Swimming Pool Foundation ((NSPF<sup>®</sup>), located at 4775 Granby Circle, Colorado Springs, CO.

Certified operators will receive a certificate, suitable for framing, complete with your personal CPO<sup>®</sup> Registration Number, and a wallet certificate.

Certification is valid for a period of five (5) years from the date of course completion.
