## FAITH WITHOUT WORKS IS DEAD! JAMES 2:20

Over 2000 years ago the Messiah came to live among us. Those who had been waiting on him to come expected him to be some sort of political and military juggernaut that would bring peace, justice and hope through a show of force. However, the revolution Jesus started was very different. His leadership ushered in a new mentality that focused on loving and serving those in need. It involved helping those who were poor, enslaved, marginalized, and spiritually lost. It also exposed those who were false teachers, heretics, oppressive and legalistic. However, this was no ordinary revolution, where muscle wins the day, instead Jesus started a SERVOLUTION! In Matthew 20:28, Jesus shares that he did not come to be served

but to serve others. Jesus' SERVOLUTION changed everything. It not only shook up the religious people and the politicians of his day, it also demonstrated a clear path to changing the world for God.

In 2013, the SERVOLUTION continues at Ginghamburg Church and we want you to be a part of making an eternal impact for him all over the world! The SERVOLUTION is a great way for you to exercise your faith, grow closer to Jesus, and of course Change the World!

Join the 2013 Ginghamburg SERVOLUTION as you look through the adult's and Children's mission opportunities, see what stirs your heart, pray about going, sign up, then most importantly GO!

## CHOOSE FROM **FIVE LEVELS** OF MISSION TRIPS:

**LOCAL SERVE:** These are one-day local service opportunities right in your own back yard, the Greater Dayton area. These one-day mini-mission trips are great opportunities to get your feet wet and serve on mission locally while spending little to no money for your day of service. Many of the Local Serve opportunities are Family Serving Opportunities unless otherwise noted.

**KIDS ON MISSION:** For kids only (and their parents). These trips range from one day local opportunities to overnight regional opportunities. Any of the options are a great way to get your kids serving on mission.

**MINISTRY BLITZ:** a short-term mission trip lasting anywhere from two to five days and requiring an overnight stay on location. If you can't commit a whole week or longer for a mission trip, a Blitz may be just for you! (Adults only unless otherwise noted)

**MISSION TREK:** a mission trip lasting about a week. These trips take you within the United States as well as to foreign countries and are designed for those who are ready to take the next big step in service. If you feel up to putting in a week of hard work and being a part of a missions team that will impact a community, a Mission Trek is a journey you need to experience. (Adults only unless otherwise noted)

**GLOBAL EXPEDITION:** Most Global Expedition trips are 10 to 14 days in length and involve travel overseas. These expeditions are higher level trips that provide the opportunity to immerse yourself for a longer period in the targeted community and culture. If you're ready for an advanced challenge, a Global Expedition with Ginghamburg may be just right. (Adults only unless otherwise noted)
