How we use Personal Information

Clydesdale Bank PLC is a member of the National Australia Bank Group (the “Group”). The Group (which is referred to as “we”, “us” or “our”) includes National Australia Group Europe Limited, each subsidiary or holding company thereof from time to time, and each subsidiary from time to time of any such holding company. A complete list is available on request. Clydesdale Bank PLC will share information about you with other members of the Group. The following sections explain in more detail how and for what purposes the Group will use your personal information.

Your information

We currently may hold personal and financial information about you and may obtain or receive such information about you in the future. The information we process about you will be obtained from various sources including directly from you; from your dealings with any member of the Group including from the transactions and operation of your accounts and services; from other organisations including credit reference and fraud prevention agencies; and from persons who know you including joint account holders and persons with whom you are financially linked in the context of a particular product. For our internal operational reasons we may link information concerning your accounts with us to information concerning other products and services we provide to you. We may also link your information to that of other individuals with whom you are financially associated. Such information may also include sensitive personal data, such as information relating to your health, or criminal convictions or proceedings. However we only hold such data where we need to for the purposes of the product or services we provide to you or it is in our normal course of business to do so; for example, insurance products.

Uses of your information

We will use your information to operate and administer the products and services we provide to you; to assess the suitability of our products and services for you; to analyse the operation of your accounts and services and your purchasing preferences; to make credit decisions about you which may involve credit scoring; to develop, improve and market our products and services generally; for the prevention of fraud and money laundering; for market and product analysis purposes; and for debt recovery purposes. We may also use your information for system testing purposes. Where a third party has introduced your custom to the Group we may pass back to the introducer necessary information to enable administration of any payment or settlement. In providing products and services involving insurance to you we are required to pass your details to insurers. Information you provide in connection with any claims made under the insurance may be recorded on a register of claims through which insurers share information to prevent fraudulent claims. A list of participants and the register operator is available from the insurers.

We use a process known as Credit Scoring and may use other automated decision making processes to assist in the assessment of applications and to make other decisions during your relationship with us. We will tell you the reason for any decision that we make, if you request us to do so. You have the right to ask us to review such decisions manually.

Confidentiality

We will treat all your information as confidential and will not give your information to anyone except where we are permitted to do so by law; we have a public duty to disclose the information; we need to do so to comply with the requirements, codes or recommendations of any of our regulators; we have your consent (which is not necessarily required to be in writing); it is necessary for the performance of any product or service that we provide to you; or we have transferred any of our rights or obligations to another party.

Fraud prevention agencies

If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information. We and other organisations may also access and use this information to prevent fraud and money laundering, for example, when checking details on applications for credit and credit related or other facilities; managing credit and credit related accounts or facilities; recovering debt; checking details on proposals and claims for all types of insurance; or checking details of job applicants and employees. We and other organisations may access and use from other countries the information recorded by fraud prevention agencies.

Credit reference agencies

In order to assess any applications that you may make for credit products or any request for an increase to any existing credit product that we may already provide to you, your suitability for, or to provide you with, credit products and services, we will search the records of one or more licensed credit reference agencies to obtain information on you. These agencies may add details of our search and your application to the records they hold on you, whether or not your application proceeds. We may also add details of how your agreements or accounts operate with us to these records including any default or failure to keep to the terms of your agreement and any failure to advise us of a change of address where a payment is overdue. Credit searches and other information provided to the credit reference agencies and fraud prevention agencies about you, and those with whom you are linked financially, may be used and disclosed by such agencies to other companies unrelated to us for the purposes mentioned above. Credit reference agencies will also use the information for statistical analysis about credit, insurance and fraud.

Financial links and associations

For the purposes of this application you may be treated as financially linked and your application will be assessed with reference to any “associated” records. An “association” between joint applicants and/or any individual identified as your financial partner will be created at credit reference agencies, which will link your financial records. You and anyone else with whom you have a financial link understand that each other’s information will be taken into account in all future applications by either or both of you. This linking will continue until one of you successfully files a ‘disassociation’ at the credit reference agencies. Information held about you by the credit reference agencies may already be linked to records relating to one or more of your partners. If you would like details of the agencies from which we obtain and record information about you, please write to: Central Refer Unit, 20 Merrion Way, Leeds, LS2 8NZ.

Provision of services and transfer of information

From time to time we will engage service providers, agents and subcontractors to provide services. They will have access to, and will process, your information on our behalf to provide such services. We are a Global Group. We may need to transfer your information abroad to other Group companies, service providers, agents and subcontractors in countries where they may not have data protection laws providing the same level of protection as those in the European Economic Area, such as Australia, New Zealand and the USA. In each of the above circumstances, we will ensure that your information is processed only in accordance with the applicable legislation and under strict obligations of confidentiality.

Marketing

We may contact you by post, phone, fax, e-mail, SMS text or other reasonable means to inform you about products and services supplied by ourselves or selected third parties that we consider may be of interest to you. We will not pass your information to anyone outside our Group for their own marketing purposes. You can inform us at any time if you do not want to receive marketing information.

Changes to your information

We have a duty to ensure that your personal information is accurate and up to date. Please help us to do this by immediately informing us of any changes. Please also let us know if information appears which is not correct.

I/We understand that any valuation obtained by the Bank is for Bank purposes only and I/we agree that even though a copy may be disclosed to me/us, I/we will not rely on such valuation.

I/We confirm that it has been suggested by the Bank that a full professional survey report is obtained by me/us and that a copy of this report should be provided directly to me/us. (Not applicable to a remortgage or further advance).

I/We undertake to pay any applicable legal or other expenses incurred by the Bank in respect of this application and I/we authorise you to debit my/our account with these items.

I/We confirm that I/we have been advised by the Bank that I/we must take out appropriate insurance cover for my/our property. I/We understand that I/we will still be liable for any amount outstanding on my/our home loan in the event of loss or damage occurring on my/our property.

If insurance under the Bank's Higher Lending Policy or Mortgage Guarantee Policy is required, I/we authorise the Bank to disclose information about me/us to the insurers in connection with the proposal for this insurance and any claim under it.

I/We authorise the Bank to make such reasonable enquiries as it considers necessary for verification of the information I/we have provided on this home loan application form and for the purpose of credit assessment. I/We understand this may include contacting my/our employer(s) and any bank or building society with which I/we have (or had) a relationship with, and for such organisations to divulge any such information as may be requested.

We agree that one statement for the account will be issued to us jointly, unless any one of us advises the Bank to the contrary. (Joint accounts only).
