Walk-In Wellness Tests

Knowing your health information is a vital part of living a long, healthy life. We want to make this easy for you!

Waverly Health Center's laboratory now offers walk-in wellness screens Monday – Friday from 7 a.m. to 5 p.m. You do not need a health care provider's order to use this service.

The tests listed below are available:

- **Blood Type** (ABO, Rh), \$25
- **Chemistry Panel** (sodium, potassium, chloride, carbon dioxide, calcium, creatinine, glucose, BUN, total protein, AST, uric acid), \$15 (12-hour fast required). **NOTE:** Does not include lipid panel.
- **Glucose**, \$10 (12-hour fast required)
- **Hemoglobin A1C**, \$20
- **Hemogram** (white blood count, red blood count, hemoglobin, hematocrit, platelet count), \$20
- **Lipid** (cholesterol, triglyceride, HDL, LDL, ratio), \$15 (12-hour fasting required)
- **Prostate-Specific Antigen (PSA)**, \$20
- **Thyroid Stimulating Hormone (TSH)**, \$20
- **Vitamin D**, \$40 (12-hour fasting preferred)

This service is helpful if you have a high deductible health insurance plan or do not have insurance.

To use this service:

- Go to the green entrance registration desk at Waverly Health Center.
- Our staff will give you a form to fill out or you may print the form below and bring it with you.
- Payment by cash, check or credit card is due when you register. Your insurance will not be billed.
- After you have registered, a lab staff member will draw your blood.
- Your test results will be mailed to you within one week. It is important to know that we will not be sending your test results to your health care provider. You are responsible for sharing the results.

This service does not take the place of regular health care or replace the need to see your health care provider. But, it is an easy way for you to stay on top of health issues you may have.

Fasting Directions:

Fast for 12 hours prior to the testing and avoid caffeine products and alcohol. People who are fasting may have sips of water and take medications on normal schedule.
