A Formulary is a list of medications which are regularly stocked and on hand in the pharmacy. The drugs on this list are all FDA approved. Only the drugs on the Formulary are covered at the co-pay amounts.

4. How do I transfer prescriptions to mail order?

If you are already taking a medication, call your doctor's office to request a new prescription(s) for the maximum days supply allowed by your prescription plan. Mail or have your doctor fax (888-810-1394) or call (866-912-7425) your prescription(s) to Sav-Rx.
