Thank You

-Dear Church Family,

We would like to thank you for the prayers, calls, and visits while Cody was in the hospital. They were all so greatly appreciated.

With love, The Alderson Family

-Dear Belton Church of Christ

I'm writing this letter to tell all of you how grateful I am for you guys continuing to help me and my boys, Alex and Tyler. I seem to continue saying, "Right as I think it can't get better, something else will happen!" God always provides and I know that He uses people to carry out His plan, and He sure has used you guys a lot in our lives. I try to do as much as I can to help others as well, so please know that. My whole reason for being in college is so I can buy a ranch and hopefully expand Christian farms Treehouse. I want to provide equine therapy for individuals seeking to change their lives. . . .I am transferring to CTC in January 2015 and will be driving 40 miles to and from school twice a week for the next 3 years. I will be getting an AAS in Equine Management and plan to graduate in 2017. . . .I need this degree to provide equine therapy. Please continue to pray because I truly feel that this was God's plan all along. I want to say thanks from the bottom of my heart and I will pay it forward! I also want to tell you guys that I have been selected to receive the Coca-Cola Leaders of Promise Scholarship through Phi Theta Kappa Honor Society. I have also been chosen to receive the Texas Education Opportunity Grant this year from Temple College. GOD IS AWESOME! I love you all and God has truly blessed my family by bringing BCC into our lives!

Sincerely, Abigail Gomez.

Marriage Celebration

There will be a shower to celebrate the marriage of **Daniel & Mandi (Vaughn) Tucker** on **Sunday, October 5**, from 1:30-2:30pm in the Living Room. Mandi is the daughter of Jon & Vicki Vaughn. They are registered at Bed, Bath, and Beyond.

Transportation Need

One of the graduates of Christian Farms / Treehouse is now living at a halfway house in Waco. He would like to keep attending the Wednesday evening class but has no transportation. If you would be willing to pick this man up in Waco and bring him to class, and then take him back, it would be greatly appreciated. Contact Raymond Chapman for more information.
