Spring Ordeal May 30th to June 1st At CCC

On May 30th-June 1st, we will be having our second Ordeal and Brotherhood weekend of the year at Camp Crooked Creek. It is vital that we get a large number of Arrowmen to participate in this event, as we need to ready camp for the summer season and we will be welcoming new

New Candidate Orientation

brothers into our Order. The Ordeal Operations Committee has been diligently working on planning this event and promises it to be a unique experience not to be missed. Among the activities they are working on is a new and improved Saturday Night Activity and a new Candidate Orientation.

The cost of this event is \$12.00 for members, which includes your food for the weekend and your patch. Remember, if you are a TalligiCard holder, the event is covered as part of your card purchase. Also, at the

Ordeal this weekend, we will be conducting the Summer Business Meeting on Sunday morning following our interfaith church service. For information about this event please contact Lodge Chief Thomas Ribar or Lodge Adviser Bobby Wagner, and we hope to see you all there.

Chiefly Speaking by Thomas Ribar, 2008 Lodge Chief

Spring has been a busy time of the year for our Lodge. We have manned the information booth at Scout-O-Rama, conducted a successful Ordeal and Brotherhood weekend on April 4th and 5th and we participated in the final SR-6N Section Conclave at Camp Mack Morris in Camden, TN as we are moving to the new Section SR-6 effective June 1st, 2008. I am also glad to note that even though we had the smallest attendance at Conclave, we finished in second place in Quest, just missing out on winning by 4 points, next year we will do better.

However, our year is just beginning, we will be extremely busy this summer with an Ordeal on May 30th to June 1st at Camp Crooked

Creek and callouts each week at summer camp. In order for our Lodge to grow and be successful we need each of you to participate in one or

Thomas Ribar

more of these events. This could take the shape of being a torch bearer at a callout or working on a crew doing maintenance during an Ordeal. The reason I am asking you to commit to this service is that as members of the Order of the Arrow, we

are committed to supporting our Council and our camps and this requires a significant number of man hours.

On a different note, I also want to challenge each of you to recruit one or more lapsed OA members to accompany you to these events and to renew their membership. This is important because our Lodge needs to add over 250 members this summer if we are to obtain quality lodge status for the year and with your help we can obtain this goal.

Finally, I want to thank all of you who have helped make this year a success so far and with your help, the rest of 2008 is going to be great.

Adviser's Corner by Bobby Wagner, Lodge Adviser

Lodge Adviser Bobby Wagner

It has been awhile since we last spoke, but we have been busy in growing our Lodge and making it the program the best it can be. Among the items we have been busy doing are redesigning the lodge website, which you can read more about on page 3, completing the 2008 Lodge Resource Disk, which is now available to pick up at any Lodge event and completing our first Ordeal of the year, and welcoming nineteen new members in the process. So as you can see, we have been busy, but the best is yet to come.

In the upcoming months we will finish the unit election process for the year, conduct our remaining Ordeals and start planning for 2009. In order for us to do these tasks we are going to need you to step up and be part of the process. By stepping up, I mean that

each one of us needs to be sure all the members in our units are paying their dues and coming to the Lodge events. I firmly believe that this is a great program that all of our youth should be involved in, and the adults of our Lodge need to move heaven and earth to make this possible, by offering rides and being sure the youth know of the events and so forth. It is only by working together that our Lodge grow and reach its full potential.

As we progress through the year, we are already starting on plans for next year. In order for this process to be most beneficial to you we need to know what you would like for the Lodge to do, be it offer more fellowship opportunities, increase communication etc. So please e-mail me at lodgeadviser@talligewi62.org and let us know what you think.

On a different note, I want to thank all of members who went and represented our Lodge at the recent SR-6N Section Conclave. We had thirty eight Arrowmen travel to this event and participate in the training and competitions. While we only finished second in Quest, this is still quite an accomplishment and Lodge Chief Thomas Ribar and his team are to be congratulated for this achievement. Finally, I want you to remember back to your pre-Ordeal Ceremony when Allowat Sakima told you "those who choose you, need you" this was a calling for all of us to serve our units, Council and Lodge and I want each of you to remember this challenge and meet it head on.

2008 Lodge Dues Are Now Past Due!

**Annual Lodge Dues
If Not Already Paid
Are Past Due.**

Attention Lodge members, it is now that time of year when your annual Lodge Dues, if not already paid, are past due. In order for you to remain an active member of the OA and receive the Lodge Newsletter, attend OA Events and wear the Lodge Flap, your dues must be current! To find out the status of your dues please see the label on this newsletter for your last paid in year.

When paying your dues, remember that for 2008 they have remained at the low price of \$15 for the entire year! Also at this time, we

would like to remind you that you may also take the opportunity to pay your dues via credit card. At this time we are only accepting MasterCard and Visa which can be provided to the Lodge on the dues form or in person at any Lodge event.

Also, TalligiCards are available at the price of \$60. This is a fantastic deal as it includes your yearly dues and admission to all of the Lodge events throughout the year. This is a savings of \$21 to participate in all of the events for the year and guarantees you all of the event patches as well. There

is a dues form located in this newsletter that can be used to send in your dues or to purchase a TalligiCard. Please feel free to distribute this form as necessary and encourage all the OA members in your unit to pay their dues as well.

For more information on how to pay your dues or to send in your dues, please contact Lodge Treasurer, Scott Thompson or Lodge Treasurer's Adviser, Bob Olsen at treasurer@talligewi62.org.

Support Your OA Chapters by Edward McCarty

The chapters of Talligewi Lodge are looking for members to become active within them! Chapters are entities of the Lodge that do activities on the district levels such as Cub Scout Pinewood Derbies and Boy Scout Camporees. Everyone who is a member of the Lodge is a member of a Chapter. If you do not know which Chapter you are a member of, please consult the listing.

If you have any additional questions about how Chapters function, please feel free to contact Lodge Vice Chief of Chapters, Edward McCarty or his Adviser, Larry Jackson at vicechiefchap@talligewi62.org.

Health & Safety Announcement by Josh Simpson

This is a reminder that all members of the Lodge must have a completed Lodge Medical Form on file with the Health and Safety Committee in order to participate in any Lodge event. This includes Ordeal weekends, Conclave and any training weekends. The rationale behind this requirement is that it is BSA policy that in order for a person to participate in an

event of seventy two hours or less that they must have a Class 1 Medical Form or it's equivalent completed and signed by a parent or guardian if they are under the age of eighteen. It is recommended that Lodge members complete the medical form and return it with their dues form each year. Ordeal Candidates should have received a medical form at the time of

their callout and should bring it with them to their Ordeal. A copy of the Lodge Medical form can be found on page six of this newsletter. If you have any questions about this matter please contact Lodge Health and Safety Adviser, Bev Tavelli or Lodge Adviser Bobby Wagner at lodgeadviser@talligewi62.org.

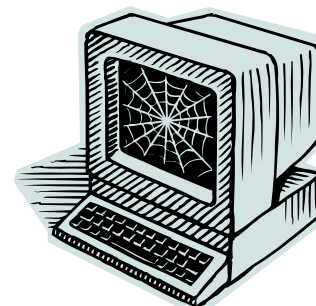

New & Improved Lodge Website Launched

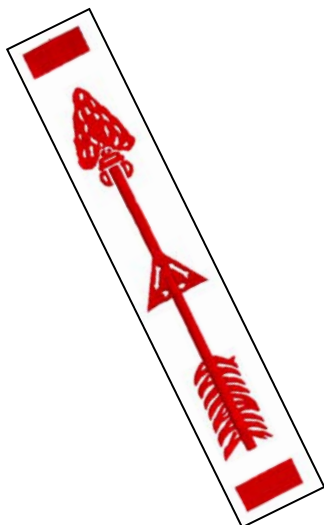

After much work, even more debate and untold amounts of caffeine, the Lodge Website Committee is proud to announce the new and improved Lodge Website at www.talligewi62.org. This is the first complete overhaul of our award winning Lodge website in over ten years.

The new site features much of our favorite content from

the old site but it has been augmented with pictures of the chairman and officers, a photo gallery of Lodge events and a new interactive calendar to name just a few enhancements. Also, as time permits the website will have RSS feeds established in order to let you know anytime new content is uploaded, along with a Lodge Officers' Blog.

If anyone has any ideas for future enhancements or comments or suggestions please send them to webmaster@talligewi62.org. We would also like to thank Don Ault, Tyler Ault, Kevin Flispart, Josh Simpson, Kevin Bradley and Nick Bradley for all the work into making this possible.

Nominate An Arrowman For The Vigil Honor

It is once again time to nominate individuals for the Vigil Honor. The Vigil Honor is the highest honor the Lodge can bestow on a member and we are limited to one award for every fifty members of the Lodge. To be eligible for the Vigil Honor an Arrowman needs to be a current member of the BSA, a dues paid member of the Lodge and have been Brotherhood for

at least two years. Also, we must give at least fifty percent of the awards each year to youth members.

If you know someone who meets the requirements for Vigil Honor and would like to have them considered please complete the nomination form on page 7 of this newsletter and return it to the Lodge before May 31st of this year. Those individuals who are chosen to receive the Vigil

Honor will be announced later this year with the Vigil Honor Inductions being held on October 17th at the Fall Fellowship which is taking place at TMR. For more information, contact Lodge Chief, Thomas Ribar at lodgechief@talligewi62.org or Lodge Adviser, Bobby Wagner at lodgeadviser@talligewi62.org.

There Is Still Time To Have Your Unit Election

It is that time of year again and Unit Elections are in full swing for the 2008 season. If your unit has not yet scheduled their Unit Election be sure to contact the Lodge Unit Election Committee so that they can schedule your troop's election date. Once this is done, a representative from the Lodge in your district will come to your meeting and conduct the Unit Election. These elections, are what produce our future Arrowmen and leaders, so it

is important to get your election done today.

The requirements for youth membership into the Order of the Arrow are BSA membership, 15 days and nights of camping (6 of which must include a resident camp, 1st Class Rank, Scoutmaster Approval, and they have to be elected by the troop. The requirements for Adult membership into the Order are BSA membership, their membership will be beneficial to the Order, selected by the

Unit after a successful election of youth candidates, along with the aforementioned camping requirements only 1 adult per unit per 50 youth members, and approval of the Lodge. If you have any questions, please feel free to contact Unit Elections Chairman Asa Sipe at unitelections@talligewi62.org or Les Coop, Unit Elections Adviser at (812) 725-0311 or unitelections@talligewi62.org.

The Brotherhood Awaits You by Don Ault

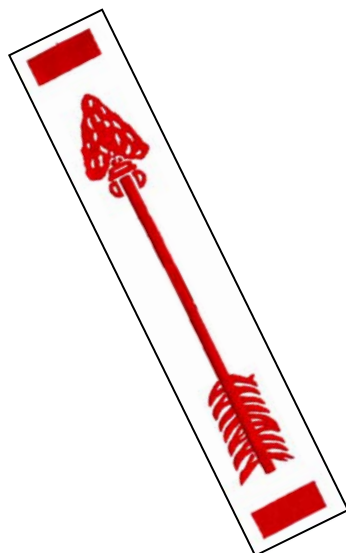

"Awake, my friends. You now are starting on a long and toilsome journey." These were the first words uttered to us as an Ordeal Candidate. Nutiket's reference to a "journey" did not imply that it ends at the completion of the Ordeal. Allowat Sakima confirmed this when in closing the Ordeal Ceremony saying "Brothers, we challenge you: Strengthen the ties of Brotherhood. Build upon the fire of cheerfulness. Ease the burdens from the shoulders of your fellow scouts! When you have done these things, you will find yourself before me,

prepared to see the full meaning of the Order of the Arrow!"

If it has been 10 or more months since your completion of the Ordeal, you are eligible to complete your induction into the Order of the Arrow by becoming a Brotherhood Member. In continuing your "journey" you must have a desire to further your knowledge of the Order's customs and traditions. This can be done by reviewing the OA handbook you were given at the completion of your Ordeal or by visiting the OA

national website at <http://jumpstart.oe-bsa.org>. If you need further assistance please contact us at brotherhood@talligewi62.org.

The next Brotherhood opportunity is May 30th to June 1st at Camp Crooked Creek. The cost for completing the Brotherhood Weekend is \$27.00. If you are a TalligiCard holder the cost is \$15.00. This cost includes food, Brotherhood Sash, a new membership card and the Weekend Activity Patch.

Nischa Nimat Chapter News by Austin Heil

We need your help! As you probably know, chapters are an important part of the Lodge and the district in that we can provide valuable service to the Lodge and our district. However, for our chapter to be successful we need you to participate. What we need is for each unit to send one or more youth members to our chapter meetings so we can

start planning events and be able to offer this service to you our fellow Arrowmen. For those that do not know our meeting schedule, we meet on the second Monday of each month at 7:00 at the Christian Church in Bloomfield, it is the same day as the district round table. Please plan on having someone there. Also, we will be starting the unit election

process for 2008 very soon so please contact us and schedule your election. We can be reached at: nischanimat@talligewi62.org.

Lowaneu Chapter New by Zach Atwood

Lowaneu R-2 Patch

The Lowaneu Chapter serves the Chief Old Ox and George Rogers Clark Districts in Southern Indiana and we are looking for Arrowmen in those districts who want to become more active in the OA. For the past 5 years, the Chapter has successfully planned and executed the Lowaneu Chapter Camporee held at Tunnel Mill Reservation for the COO and GRC Districts. This year, the event has been opened up to all troops of the council that wanted to participate. The theme for the event was Wild, Wild

West and included events such as Archery and BB shooting, a maze constructed of bales of hay, and a few events that tested a few Scout skills as well. The Chapter is also in the process of constructing a new Archery and BB Range and storage facility with all proceeds from the Camporee going towards the Archery and BB Range. The Chapter also wants to remind everyone in the COO and GRC Districts that the Chapter Meetings are held on the third Sunday of every month at 6 pm at the Sellersburg United Methodist Church. We invite all

Arrowmen to come out and participate with the Chapter. For more information on the Lowaneu Chapter, contact Chapter Chief, Zach Atwood or Chapter Adviser, Marvin Simpson at lowaneu@talligewi62.org.

Have The Summer Of Your Life by Sean Simpson

Attention youth Arrowmen between the ages of 16 but not yet 21. How would you like the chance to visit Philmont for \$150.00 or the Northern Tier for only \$1250.00 or Sea Base for \$500.00. Well 2009 is your chance, the Order of the Arrow, in conjunction with these three high adventure programs, is offering Arrowmen the chance to come out and experience the opportunity of a lifetime by participating in these programs at this reduced rate.

Each of the three programs last for two full weeks. Once at

the respective camps you will have the chance to do conservation projects to aid each camp for a week and then experience either a trek through the backcountry of Philmont, a voyage in the Boundary Waters of Northern Tier, or get your SCUBA certification while diving in the Florida Keys for the remainder of your stay.

All that is required of you is to meet some basic program guidelines which can be found online at www.adventure.oa-bsa.org or by contacting Lodge Adviser, Bobby Wagner. In

addition to the program fee you must provide your transportation to the camp. Do not let this opportunity pass you by. Act now and make this summer one to remember.

NOAC Is Coming To IU In 2009

Are you looking for an event that is full of fun and fellowship? If so, then the National Order of the Arrow Conference is for you. The National Order of the Arrow Conference, known as NOAC for short, is the biggest OA event that exists attracting Arrowmen from all over the United States. It is held every other year on the campus of a major university, most recently at Michigan State University in 2006. In 2009, NOAC will be held at Indiana University in Bloomington, IN, which is

the site of the first NOAC that was held in 1948. NOAC is a week long event that is full of training, nightly arena shows, patch trading, and endless amounts of fun. The 2009 NOAC will be held August 1st-6th, 2009 with an estimated cost of \$350. A \$100 deposit is required for a seat in our contingency and in order for our Lodge to take as many people as possible, it is important to get your reservation in today! You can do this by sending in \$50 to the Lodge to save your spot with the remainder of the deposit being due by December

31st, 2008. This is the closest that a National Conference will ever get to home and we want you to be a part of this awesome experience! For more information on the National Order of the Arrow Conference, please contact Lodge Chief, Thomas Ribar at lodgechief@talligewi62.org or Lodge Adviser, Bobby Wagner at lodgeadviser@talligewi62.org. There is also additional NOAC information on the National Website, www.oa-bsa.org.
