

Commute Coach Pledge

Get in the Game

Organize your team to start a King County Metro Commuter Van. Use your rideshare know-how to build a new group — a new King County Metro Vanpool, Metropool or Vanshare — and earn a \$100 MasterCard gift card. Your efforts will score a new commute that reduces the impact on your wallet and the planet.

Your participation and enthusiasm is a great resource for the Commuter Van Program when you promote the benefits of ridesharing to your co-workers and friends. We want to reward your current efforts to start a Vanpool, Metropool or Vanshare and hope you coach other groups to start a new van in the future. Remember you can earn \$100 for each new Metro Vanpool, Metropool or Vanshare group you form, up to five new groups.

Take the Commute Coach pledge and sign up.

First, pledge to do the following:

1. Register at www.RideshareOnline.com then go to the "Ridematch" menu to add your commute trip and search for riders.
2. Talk to five commuters about the benefits of joining a Metro Commuter Van. This could be commuters to join your group or encourage commuters to join another group in the program. Encourage them to register and add their trip at RideshareOnline.com so they can connect with vans, other riders, or see what additional incentive programs may be available to them.
3. Identify your Employee Transportation Coordinator (ETC). ETCs are a great resource for transportation options and subsidy information (please give us your ETCs name and email below).

Second, sign up to be a Commute Coach:

First Name: _____ Last Name: _____

Daytime Phone: _____ Email: _____

Employer Name: _____ Commuter Van Group Number/GIN: _____
(If known)

ETC's Name: _____ ETC's Email: _____

(Your ETC is the point person at your work who helps with commute-related information)

- By checking here, I am pledging to be a Commute Coach. In order to qualify for my Commute Coach incentive, I understand that I must meet the **King County Metro Rideshare Operations** eligibility requirements.
