

4TH AND 5TH GRADE INTRAMURALS

GET READY, GET SET, GO!!!

Are you ready to start your day off in the best way possible? Join intramurals. It's a before school energizer that will get your brain and body ready for academics the rest of the day. Included are fitness activities, games, tournaments and jump rope. All our activities promote good sportsmanship, increase skill development, and foster positive social interactions. Together we design the program to fit the needs and interests of the participants. Come join us! Intramurals is flexible. You can attend as often or as little as you like (except during a tournament). Bring back the permission form any time, it's good for the whole year. If you can't join right away, it's ok to join at any time during the year. Because of space limitations, come only on your scheduled day and please, no sibling spectators.
