To use Adobe EPUB eBooks, patrons will need to create an Adobe ID and to download Overdrive Media Console app on their device.

The Overdrive Media Console app will function as the eBook downloader as well as the place where you will read your downloaded eBook.

Adobe EPUB eBooks

OverDrive Media Console

Download the OverDrive Media Console App on your device from the App Store.

Step 1.

On your Apple device, go to the App Store.

Search for "OverDrive Media Console".

Download the free app.

Step 2.

After the app has finished downloading, open OverDrive Media Console by tapping on it. You will be prompted to enter your Adobe ID.

If you already have an Adobe ID, you can enter in the email address and password for your Adobe ID by tapping on "**Sign In**".

If you do not, you can tap on "**Register at Adobe.com**". This will take you to "www.adobe.com" in the Safari internet browser.

Tap on the yellow "**Create an Adobe Account**" button. This will take you through creating an Adobe ID.

Step 3.

Once you have completed creating an Adobe ID, go back to the home screen on the iPad by clicking on the round home button at the bottom of the iPad.

Open the OverDrive Media Console app.

Tap on the "Get Books" button in the upper right hand portion of the screen.

Tap on the "Settings" button at the bottom center of the screen.

Enter in your Adobe ID and password, and then tap "Authorize".

Checking Out an Adobe EPUB eBook

Now that you have authorized your Apple device, we can start downloading an Adobe EPUB eBook.

Step 1.

Return to the "Get Books" screen by tapping on the "**Get Books**" icon in the lower left hand corner of the screen.
