# Cub Scout Leader Training NEW PROGRAM

Training for  
New Leaders  
& VETERAN  
LEADERS  
covering the  
NEW CUB SCOUT  
PROGRAM for 2015

**March 14th, 2015**

## NEW LEADERS

Every boy deserves a trained leader.

Come out for a day of training that will help you **BE PREPARED** for being the best Cub Scout Leader you can be!

The morning session will cover Cub Scouting basics:

- How a Pack operates—program, organization, job delegation, etc.
- How a Den Operates—including advancement, program ideas,
- Leader support, resources, literature, supplemental trainings
- General “rules & regulations” of Cub Scouting as put forth by the National Organization and by our local Council.

The afternoon will be a more in depth examination of the new program for Packs and Den that goes into effect this year (June 2015). It’s quite the change up, but the focus of character building in scouts has not changed... So the all day session will not only complete your Cub Scout Leader training, but also help you implement the new program.

## VETERAN LEADERS

**NEW PROGRAM** goes into effect this year  
We need to **BE PREPARED** for implementing it this fall!!

Come out for the afternoon session of this training to get the scoop on the *new program*.  
We will go over:

- The new Adventures for each Rank advancement
- New literature and support for Leaders.
- Change to Oath, Law & Insignia
- Transition plans and Webelos & Arrow of Light options.
- What’s changed, what’s stayed the same.

**This is an exciting change to the program meant to simplify weekly meetings and promote advancement thru the den, making Ranks attainable for each Cub Scout.**
