Comments you would like to share with the court (agency or worker):

As a result of your Municipal Court disposition you have been sentenced to perform community service or community service has been approved by the court in lieu of paying a fine and/or court costs. **This sheet must be filled out and returned to the Boulder Municipal Court by your court-ordered due date, P.O. Box 8015, Boulder, CO 80306 to receive credit for your work.**

If you have any questions about completing your community service, contact your Probation Officer, see officer name and phone number on front of this form.

The community service hours you perform must be done to fulfill this court obligation (for example, you cannot use hours which you had to do for a class practicum, a fraternal obligation, or another court order). You may not perform your hours for a political or religious organization.

I understand that I must do my community service hours from an agency on this list. Furthermore, I understand that if I do not complete my community service from agency on this list, I will be required to do the community service again.

It is your responsibility to contact the agency to schedule your work days/hours. Contact the agency as soon as possible so that required hours can be scheduled for completion before your court-ordered due date. It is recommended that you bring identification with you.
