Op ID / Permit Number

As a condition of accepting the Isomate-EGVM mating disruption dispensers being provided to me by the County of Napa, I agree to:

- Comply with all Isomate-EGVM label requirements including the placement of the dispensers at 200 per acre.
- Deploy the Isomate-EGVM mating disruption dispensers only in vineyards within 500 meters of an EGVM find from 2010 and/or 2011.
- **Return unused Isomate-EGVM dispensers to the Napa County Agricultural Commissioner's Office or Grower Liaison Martin Mochizuki immediately (within 24 to 48 hours) following deployment of the allotted number of dispensers. This return will allow for the proper distribution of unused dispensers to small growers who require them. (Wilbur-Ellis will not accept the return of open and unused product.)**
- Comply with all applicable laws and regulations including timely submittal of pesticide use reports (reported as 1.94 ounces / 200 dispensers per acre rate.)
