# Community Recreation

### *A note from your Town Board:*

With the completion of the new tennis and basketball courts and upcoming skateboard park, we warmly welcome you to enjoy the scenic beauty of Dover at Thomas J. Boyce Park this spring and summer! Our sincere thanks to Senator Vincent Leibell and Assemblyman Marcus Molinaro who secured \$30,000 in the New York State Budget for our community to help offset costs for the skate park equipment and other Boyce Park Improvements.

This seasonal schedule features over 50 ongoing programs and special events! We are grateful to Recreation Director Teri Ptasnick and her dedicated staff and instructors for an outstanding variety in offerings for children, adults, and families. In addition, please join us for this year's Bicentennial Parade and Festival on May 19, 2007 which is sure to be a fun, educational and memorable event for our entire community. When you are tempted to drive to the mall for an outing or diversion - think Dover Recreation! The programs are plentiful, the costs are affordable, and the special events are always enjoyable. We look forward to seeing you!
