## **SRS Young Investigator Travel Support**

The Society for Radiopharmaceutical Sciences (SRS) offers Young Investigator bursaries to encourage participation of young scientists at ISRS 2015. Awards will be granted based substantially on the quality of the trainee's abstract submission, and award amounts will be determined by regional proximity to the ISRS 2015 venue of Columbia, MO USA.

### **Eligibility**

- Either the trainee or mentor must be a current member of the SRS
- The trainee is a pre-doctoral graduate student or a postdoctoral fellow within three years of being awarded a graduate degree.
- The trainee must be the presenting author of an accepted abstract (oral or poster).

### **Procedures**

- Submit Abstract for review by December 15, 2014 and complete section regarding Travel Bursary award
- Complete and submit Award Application Form (then some verbiage like “click here to access the PDF form”)
- Submit CV/resume
- Submit letter of support from mentor that includes basis for financial need and statement of importance of attendance to education/research.
- All materials should be sent to: Charles Metzger, SRS Executive Director (cmetzger@srsweb.org) by January 9, 2015.
- Awardees will be notified within one week after notification of abstract acceptance.
- Bursary checks will be provided onsite after registration. Wire transfers will be provided shortly after the conclusion of the symposium.
