Dear Friend of Cedar Park High School,

Project Graduation is a 501(C)(3) non-profit organization that provides a program that keeps graduates safe by providing a festive, fun, safe, alcohol and drug free environment where they spend their graduation night. The program typically begins at 12:00 am and runs through the night, until 6:00 am, and includes games, shows, competitions, activities and meals. In 2013, the Cedar Park High School Project Graduation event will be held at Main Event.

Many area schools have seen project graduation events enjoy nearly 100% participation with the event being considered one of the best events of high school. This is the last time this class will be together, a sort of grand finale to their high school education. However, keeping approximately 425 teenagers occupied, fed, happy, and of course safe over this long period is costly and cannot be accomplished without your support.

Although, Cedar Park High School Project Graduation 2013 will be financed primarily through fundraisers held throughout the year (\$15,000 have already been raised), a successful program requiring \$35,000, cannot be offered free to students without support from the community. Thus, we request your assistance in making a fun and safe graduation night for the students of Cedar Park High School a reality. Please consider a sponsorship of this program at the level appropriate for your organization.

The contribution options attached provide a great opportunity for us to recognize your business or organization, as your tax-free contribution helps us provide our students with a safe, activity-involved celebration. We guarantee that providing a safe celebration venue for our CPHS graduating seniors will be one of the most worthwhile donation requests you will ever receive.

Please return the attached Donation Form to the address listed on the form, as soon as possible in order to receive the maximum amount of exposure on our website and at our featured events as a CPHS project grad 2013 sponsor.

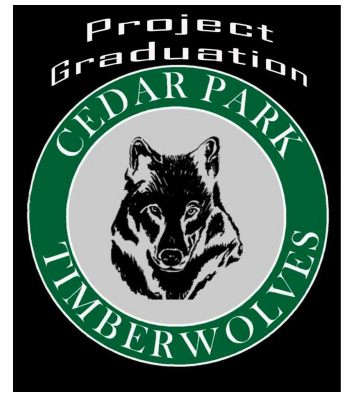

Thank you for your time and consideration. If you have any questions or concerns, please notify us at cphsprojgrad2013@gmail.com, and we will respond to you promptly.

Sincerely,

The Parents and Students of the CPHS Class of 2013
