# After School Program

**Dutchess Day School  
Fall 2013 - Session 1**

## **The Wayfinder Experience (grades 2-5)**

**Monday**

Join us for a round of Capture the Flag and learn the art of the sword with our play-safe, foam 'boffer' weapons. The game focuses on creating an environment of trust where playful silliness replaces self-consciousness. Participants learn the difference between competition and cooperation both physically and mentally, while playing engaging and active games that teach teamwork and community awareness. Our innovative system of combat approaches duels, epic mass battles and strategic 'Capture-the-Flag' games as collaborative theatrical scenes rather than violent competitions.

The Wayfinder Experience runs summer camps, school programs, and workshops for both kids and young adults. We are an improvisation theatre and live action role playing organization based out of Kingston, New York. Our highly trained staff weave together extensive experience and talent in art, theater, athletics, writing, and play. [www.wayfinderexperience.com](http://www.wayfinderexperience.com)

## **Art in Motion (grades K-3)**

**Thursday**

Art does not have to hang on a wall or sit on a table; it can also move and fly. Three dimensional sculpture projects, such as mobiles, marble runs and flying saucers will be made using a variety of materials: metal, paper, modeling clay, and found and recycled materials.
