

Academic Verification Request Form

– Current & Past Student

Academic Verification

The Academic Verification is for use by external companies/agencies to confirm that the information a student has provided to them is correct. This can be used for employment or further study. It contains the following information:

- Current enrolment dates & course
- Industry Based Learning
- Completion dates
- Conferral/Graduation dates

Any external company/agency requiring confirmation on a current or past student can apply for verification. For any information other than conferral/graduation date, a Privacy Waiver must be supplied where the student is authorizing the release of information to the specified company/agency.

There is no charge for Academic Verification Requests. A request generally takes between 5 to 10 working days.

*Fields marked with * are mandatory*

Important Information

1. Verification of a student's qualification will be made where the award has been conferred/ graduated. Past students' conferral date and award name can be released as a matter of public record.
2. All other requests will be released only with the written consent of the student.
3. If we cannot authenticate your company details or the student's permission we will decline your request.

Note: A student may have met the award requirements and not be conferred (graduation is not compulsory). Verification in this instance cannot be provided until the student has applied to graduate.

Privacy Waiver

Companies requiring information other than the graduation date will need to provide us with a privacy waiver signed by the student. If a student has provided a signed privacy waiver to the external body other details can be included, such as, course completion dates, majors/minors.
