HOW TO REQUEST REIMBURSEMENT FROM YOUR FLEXIBLE SPENDING ACCOUNT

This form is to be used to request reimbursement for healthcare expenses only. To view a detailed list of eligible medical expenses, visit **myspendingaccount.adp.com**. All healthcare expenses should first be filed under your employer's healthcare plan or any other coverage you may have. Generally, eligible expenses include: allowable expenses covered but not fully reimbursed by any benefit plans, such as co-payments; and allowable expenses NOT covered by any benefit plans, such as over-the-counter medicines prescribed by an eligible healthcare provider.

• Please print in capital letters, with your letters centered in the boxes provided and fill in all ovals as shown:

- By Fax: Send the form and copied receipts together as one fax. Do not include a fax cover sheet.
- By Mail: Place the form and the supporting documentation into an envelope, apply the correct postage, and mail.
- If you provide your e-mail address, ADP will e-mail you confirmation we received your form.
- Keep a copy of your completed form and receipts for your records.

Step 4: Receive your reimbursement (Direct Deposit is faster)

 By using Direct Deposit or Electronic Funds Transfer (EFT), you will receive your reimbursement funds up to five days faster than by receiving a check. To sign up, log in to your account at myspendingaccount.adp.com and select "Direct Deposit" from the left-side menu.

IRS Tax Dependent Definition: The Internal Revenue Code defines a "dependent" as a qualifying child who must reside with you for more than half the year and must not provide over half of his/her own support; this includes full-time students ages 19 through 24. A "qualifying relative" is an eligible individual if (1) you provide more than half of the individual's support and (2) the individual is not a qualifying child of you or any other taxpayer. Based on recent changes made by the health care reform legislation (Patient Protection and Affordable Care Act (PPACA)), tax-free reimbursement of medical expenses incurred by adult children who have not reached age 26 by the end of the taxable year may be permitted. Please note that any questions regarding the status of an individual as either a qualifying child, a qualifying relative, or an adult child must be discussed with a qualified tax advisor in conjunction with the provisions of your employer's plan.
