<p>PURPOSE. The primary purpose of counseling is to define organizational mission and values, discuss individual job expectations and performance, reinforce good performance/work related behavior, correct problem performance/work related behavior, and enhance the Ratee's ability to set and reach career goals. The best counseling is forward looking, concentrating on the future and what needs to be done better. Counseling should be timely. Counseling only at the end of the rating is too late since misunderstandings that impact performance and work related behavior cannot be resolved in time for improvement before the next annual rating.</p> <p>RULES FOR COUNSELING.</p> <ol style="list-style-type: none"> 1.
