APPLICANT LIVE SCAN Fingerprint Services Locations and Hours of Operation

Below is a listing where Live Scan fingerprinting services are available to the public. This list is updated as additional information is received. However, applicants are encouraged to contact the Live Scan providers in advance to verify their current operating hours, fees, etc.

Please Note:

- Applicants must present a valid photo identification to the Live Scan Operator. Expired identification cards will not be accepted.
- Rolling fees vary from location to location and cover only the operator's cost for rolling the fingerprint images. Additional processing fees are required for the State (DOJ) and Federal (FBI) level criminal history record checks. Other fees may also be required (i.e., license fees).

Live Scan Providers - Please note: Updating will be done once a month for all forms. Please have your forms submitted before the last Thursday of each month. The AG Webpage will show updates the first week of each month.
