Such preparation and filing shall be based solely on information that the customer provides, with the exception of the following data elements which shall be provided by FedEx: port of export; date of export, foreign port of unloading; conveyance name code; carrier identification code; and mode of transportation code (collectively referred to as the "Carrier Data Elements").

b) FedEx will act as an authorized agent for EEI filing only when shipments contain commodities that require electronic filing of the EEI as per applicable U.S. laws and regulations, except when: the USPPI is foreign and a U.S. agent or forwarder has been designated to export the shipment out of the U.S. (a "Routed Export Transaction"); the USPPI is a freight forwarder or the shipment is tendered to FedEx from a freight forwarder; the EEI filing would require the Intermodal Form (Commerce Form 7525-V-Alternate); the EEI filing would require the In-Transit Goods Form (Commerce Form 7513), or the USPPI or recipient is listed on any of the U.S. Government's Restricted Party Lists.

c) Customer certifies that all statements and information provided to FedEx for EEI filing will be true and correct. Customer acknowledges and warrants that if Customer is not the USPPI, Customer is authorized by the USPPI to appoint FedEx as a sub-agent to file the USPPI's EEI to AES. Furthermore, Customer acknowledges that civil and criminal penalties, including forfeiture and sale, may be imposed for making false and fraudulent statements or for the violation of any U.S. law on exportation, including but not limited to, 13 U.S.C. § 305, 22 U.S.C. § 401, 18 U.S.C. § 1001, 19 U.S.C. § 1592(f), and 50 U.S.C. Customer agrees to enter the ITN as the AES POF Citation legend on the appropriate shipping documents, including the Air Waybill or FedEx Express shipping label, prior to tendering a shipment to FedEx Express. Customer acknowledges that failure to provide the ITN on the appropriate shipping documents could result in a delay of the respective export shipment and could also subject Customer and the export shipment to enforcement action by U.S. government agencies.
