

August 9, 2016

Dear Potential Sponsor,

You are invited to participate in the 12th annual **BONES, Bonafide *Orthopedic Nursing Education Symposium***. This growing symposium has received national recognition and draws attendance from most of Southern California's healthcare facilities. We anticipate attendance of over 225 nurses and allied health professionals for this great day of learning.

This all-day educational event is held in conjunction with International Orthopedic Nurses Day on Friday, October 21, 2016. The day's agenda will deliver cutting-edge information provided by orthopaedic nurses, surgeons and rehabilitation specialists. Vendor and technical exhibits are a vital extension of the health care delivered by the attendees. The event will be held in San Diego at the Liberty Station Conference Center.

We work hard to keep this event affordable for you. We have kept our exhibitor fee at \$500 for 11 years. This fee includes a display table (2.5 X 5 feet) to promote your company and/or products. This fee also includes one meal package. The day is structured to allow attendees time to tour the technical exhibits before the symposium, during lunch and breaks. We sponsor a "vendor scavenger hunt", with a raffle drawing for those who have visited every vendor and obtained signatures. You may feel free to use your face-time with attendees in any way you wish, including presentations, distribution of materials, collecting contact information, or anything else that would make your time at BONES valuable.

In addition to on-site exhibitors, we offer Premium Sponsorship opportunities for commercial representatives to underwrite conference expenses such as keynote speakers, conference room rental, parking, refreshments and lunch for the attendees. All financial support will be used for educational purposes.

Thank you for your consideration of this important continuing education offering. We look forward to seeing you at our program.

Sincerely,
Chad Hutchison, MSN, RN, ONC
