#### 117.107 Prohibited acts.—

- (1) A notary public may not use a name or initial in signing certificates other than that by which the notary public is commissioned.
- (2) A notary public may not sign notarial certificates using a facsimile signature stamp unless the notary public has a physical disability that limits or prohibits his or her ability to make a written signature and unless the notary public has first submitted written notice to the Department of State with an exemplar of the facsimile signature stamp.
- (3) A notary public may not affix his or her signature to a blank form of affidavit or certificate of acknowledgment and deliver that form to another person with the intent that it be used as an affidavit or acknowledgment.
- (4) A notary public may not take the acknowledgment of or administer an oath to a person whom the notary public actually knows to have been adjudicated mentally incapacitated by a court of competent jurisdiction, where the acknowledgment or oath necessitates the exercise of a right that has been removed pursuant to s. 744.3215(2) or (3), and where the person has not been restored to capacity as a matter of record.
- (5) A notary public may not notarize a signature on a document if it appears that the person is mentally incapable of understanding the nature and effect of the document at the time of notarization.
- (6) A notary public may not take the acknowledgment of a person who does not speak or understand the English language, unless the nature and effect of the instrument to be notarized is translated into a language which the person does understand.
  - (7) A notary public may not change anything in a written instrument after it has been signed by anyone.
  - (8) A notary public may not amend a notarial certificate after the notarization is complete.
- (9) A notary public may not notarize a signature on a document if the person whose signature is being notarized is not in the presence of the notary public at the time the signature is notarized. Any notary public who violates this subsection is guilty of a civil infraction, punishable by penalty not exceeding \$5,000, and such violation constitutes malfeasance and misfeasance in the conduct of official duties. It is no defense to the civil infraction specified in this subsection that the notary public acted without intent to defraud. A notary public who violates this subsection with the intent to defraud is guilty of violating s. 117.105.
  - (10) A notary public may not notarize a signature on a document if the document is incomplete or blank.

However, an endorsement or assignment in blank of a negotiable or nonnegotiable note and the assignment in blank of any instrument given as security for such note is not deemed incomplete.

- (11) A notary public may not notarize a signature on a document if the person whose signature is to be notarized is the spouse, son, daughter, mother, or father of the notary public.
- (12) A notary public may not notarize a signature on a document if the notary public has a financial interest in or is a party to the underlying transaction; however, a notary public who is an employee may notarize a signature for his or her employer, and this employment does not constitute a financial interest in the transaction nor make the notary a party to the transaction under this subsection as long as he or she does not receive a benefit other than his or her salary and the fee for services as a notary public authorized by law. For purposes of this subsection, a notary public who is an attorney does not have a financial interest in and is not a party to the underlying transaction evidenced by a notarized document if he or she notarizes a signature on that document for a client for whom he or she serves as an attorney of record and he or she has no interest in the document other than the fee paid to him or her for legal services and the fee authorized by law for services as a notary public.

Neither a rubber stamp nor an impression type seal is required for an electronic notarization.
- (b)A first-time applicant for a notary commission must submit proof that the applicant has, within one year prior to the application, completed at least three hours of interactive or classroom instruction, including electronic notarization, and covering the duties of the notary public. #### OATHS (AFFIRMATIONS) AND ACKNOWLEDGMENTS

- **1.01 Definitions.**—In construing these statutes and each and every word, phrase, or part hereof, where the context will permit:
  - (5) The word "oath" includes affirmations.

#### 92.50 Oaths, affidavits, and acknowledgments; who may take or administer; requirements.—

- (1) IN THIS STATE.—Oaths, affidavits, and acknowledgments required or authorized under the laws of this state (except oaths to jurors and witnesses in court and such other oaths, affidavits and acknowledgments as are required by law to be taken or administered by or before particular officers) may be taken or administered by or before any judge, clerk, or deputy clerk of any court of record within this state, including federal courts, or before any United States commissioner or any notary public within this state. The jurat, or certificate of proof or acknowledgment, shall be authenticated by the signature and official seal of such officer or person taking or administering the same; however, when taken or administered before any judge, clerk, or deputy clerk of a court of record, the seal of such court may be affixed as the seal of such officer or person.
- (2) IN OTHER STATES, TERRITORIES, AND DISTRICTS OF THE UNITED STATES.—Oaths, affidavits, and acknowledgments required or authorized under the laws of this state, may be taken or administered in any other state, territory, or district of the United States, before any judge, clerk or deputy clerk of any court of record, within such state, territory, or district, having a seal, or before any notary public or justice of the peace, having a seal, in such state, territory, or district; provided, however, such officer or person is authorized under the laws of such state, territory, or district to take or administer oaths, affidavits and acknowledgments.

The jurat, or certificate of proof or acknowledgment, shall be authenticated by the signature and official seal of such officer or person taking or administering the same; provided, however, when taken or administered by or before any judge, clerk, or deputy clerk of a court of record, the seal of such court may be affixed as the seal of such officer or person.

The jurat, or certificate of proof or acknowledgment, shall be authenticated by the signature and official seal of the officer or person taking or administering the same; provided, however, when taken or administered by or before any judge or justice of a court of last resort, the seal of such court may be affixed as the seal of such judge or justice.
- **92.52 Affirmation equivalent to oath.**—Whenever an oath shall be required by any law of this state in any proceeding, an affirmation may be substituted therefor.
- 695.03 Acknowledgment and proof; validation of certain acknowledgments; legalization or authentication before foreign officials.—To entitle any instrument concerning real property to be recorded, the execution must be acknowledged by the party executing it, proved by a subscribing witness to it, or legalized or authenticated by a civil-law notary or notary public who affixes her or his official seal, before the officers and in the form and manner following:
- (1) WITHIN THIS STATE.—An acknowledgment or proof made within this state may be made before a judge, clerk, or deputy clerk of any court; a United States commissioner or magistrate; or a notary public or civil-law notary of this state, and the certificate of acknowledgment or proof must be under the seal of the court or officer, as the case may be. All affidavits and acknowledgments heretofore made or taken in this manner are hereby validated.

- (3) WITHIN FOREIGN COUNTRIES.—If the acknowledgment, legalization, authentication, or proof is made in a foreign country, it may be made before a commissioner of deeds appointed by the Governor of this state to act in such country; before a notary public of such foreign country or a civil-law notary of this state or of such foreign country who has an official seal; before an ambassador, envoy extraordinary, minister plenipotentiary, minister, commissioner, charge d'affaires, consul general, consul, vice consul, consular agent, or other diplomatic or consular officer of the United States appointed to reside in such country; or before a military or naval officer authorized by the Laws or Articles of War of the United States to perform the duties of notary public, and the certificate of acknowledgment, legalization, authentication, or proof must be under the seal of the officer.
