### **ST. VINCENT DE PAUL**

*The "Little Church with the Big Heart"  
 always applies throughout the entire year!*

**Twelfth Sunday in Ordinary Time:** In the Gospel today, Jesus calms the sea and then asks the disciples "Why are you lacking in faith." In our life's journey, we also must learn to believe in God's presence and to trust in his care.

**This week, please join with the Society of St. Vincent de Paul in praying for the healing of all those who are ill and especially those who have no one to pray for them.**

As usual May was a busy month, even though, it rained most Wednesdays. We managed to keep everyone dry that were waiting to come in. St. Vincent de Paul fed 76 families, which included 80 children, 101 adults, and 14 senior citizens. SVdP distributed 5,560 pounds of food at a cost of \$450.03. We try very hard to keep eggs and chicken, buying those items at a local store. Three families were helped with utilities to avoid cut-offs at a cost of \$150. One family was helped with \$50 to avoid eviction. Those coming for food outside our boundary lines are treated with respect. They never leave empty handed. Their faces brighten with relief when we tell them, we will give them emergency food. We seem to be getting more families that have found shelter in local motels. We try to meet their immediate needs for food. Thank you to all who support this mission of charity through the Poor Box and donations of clothes and shoes.

**Food of the month of June is PEANUT BUTTER. It helps mothers stretch food during the summer months while children are home all day.**

Thank you for your continued support through your donations and the Poor Box.

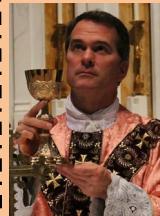

*SVDP Memorial Book is in the Rectory.*

**PAX-Program of Academic Exchange**, is seeking host families for high school aged exchange students. PAX, is a non-profit organization whose mission is to promote peace at the grassroots level by bringing high school exchange students to the U.S. for an academic year to live with a real American family. Through this unique cultural experience a family gains a "son or daughter" from a different part of the world and learns about another culture while sharing their American culture with them. These students speak English, come with their own medical insurance, and their own spending money. Host families can be of many compositions and provide a supportive environment, three meals a day, a place to sleep and study and transportation to school and activities. To volunteer or ask additional questions contact local coordinator, Steve Cadwell, 318-426-9818 or check out PAX at <http://pax.org>.
