

**18th Judicial District
CFI Eligibility Roster**

The 18th Judicial District is not certifying or recommending any professional by inclusion in this roster. Inclusion in this roster only indicates that the professional has submitted a completed affidavit to SCAO and that the professional has successfully passed a criminal background check with the Colorado Bureau of Investigation through processes and guidelines established by SCAO. Inclusion in this roster only indicates eligibility for consideration of appointment by a judicial district or the Office of the Child's Representative. Judicial districts and the Office of the Child's Representative determine final eligibility for appointment of any Child and Family Investigator. A party considering requesting appointment of a Child and Family Investigator should conduct an independent investigation of the qualifications of a professional. Being included on the eligibility roster should not create an expectation of appointment by the Court.
