Application for Foreign Nonprofit Corporation Application for License

This form should be used to apply for a license to do business as a foreign nonprofit corporation.

Please select the appropriate box to indicate whether the application is being made to obtain a temporary or a permanent license. A temporary license allows a corporation to transact business in Ohio for a period of six months. Pursuant to Ohio Revised Code §1703.13, no foreign corporation shall be granted more than two temporary licenses within any period of three years. A permanent license allows a corporation to transact business in Ohio until the license is cancelled or surrendered. Please complete the entire form (as applicable) whether you have selected a temporary or permanent license.

Certificate of Good Standing

Pursuant to Ohio Revised Code §1703.27, to obtain a license to transact business in Ohio, a foreign nonprofit corporation must file a certificate of good standing or subsistence, setting forth the exact corporate title, the date of incorporation, and the fact that the corporation is in good standing or is a subsisting corporation, certified by the secretary of state, or other proper official, of the state under the laws of which the corporation was incorporated.

General Corporation Information

Please state the name of the corporation. Also, provide the name of the jurisdiction under the laws of which it was incorporated (jurisdiction of formation). Pursuant to Ohio Revised Code §1703.27(C) and (E), provide the complete address of the corporation's principal office (non-Ohio) and the complete address of the principal office in Ohio.

Purpose Clause

Pursuant to Ohio Revised Code §1703.27(D), please state the corporate purpose or privileges it proposes to exercise in Ohio.

Original Appointment of Statutory Agent

Pursuant to Ohio Revised Code §1703.41, a foreign nonprofit corporation that is licensed to transact business in Ohio must appoint and maintain an agent to accept service of process on behalf of the corporation. The statutory agent must be one of the following: (1) A natural person who is a resident of this state; or (2) A domestic or foreign corporation, nonprofit corporation, limited liability company, partnership, limited partnership, limited liability partnership, limited partnership association, professional association, business trust, or unincorporated nonprofit association that has a business address in this state. If the agent is a business entity then the agent must meet the requirements of Title XVII of the Revised Code to transact business or exercise privileges in Ohio.

By completing and signing the form, the corporation agrees to the statements listed below the statutory agent appointment. This gives consent to service of process on the agent so long as the authority of the agent continues. Also, the corporation agrees to service of process upon the secretary of state if (1) the agent cannot be found; (2) the corporation fails to designate another agent when required to do so; (3) or the corporation's license to do business in Ohio expires or is cancelled.

Incorporating to Prosecute or Defend Legal Action

Pursuant to Ohio Revised Code §1703.29(A), the failure of a foreign corporation to obtain a license in Ohio does not affect the validity of any contract formed by the corporation. However, a foreign corporation which should have obtained a license must file for a license and pay an additional \$250 fee in order to prosecute or defend any legal action arising at the time it was not licensed to transact business in this state.

Corporation that has been Transacting Business in Ohio Without a License

If the corporation began transacting business in Ohio prior to 2009 without obtaining a license, the corporation must attach a certificate from the tax commissioner which states that the corporation has paid off all franchise taxes which it should have paid had it qualified to do business in Ohio at the time it began to do so. The tax department refers to this as a "D4 Certificate" and it may be obtained by contacting the Ohio Department of Taxation at 1-888-405-4089.

Additional Provisions

If the information you wish to provide for the record does not fit on the form, please attach additional provisions on a single-sided, 8 ½ x 11 sheet(s) of paper.

Signature

After completing all information on the filing form, please make sure that page 3 is signed by an authorized officer of the foreign corporation and the signature(s) must be verified by a notary public.

****Note: Our office cannot file or record a document which contains a social security number or tax identification number. Please do not enter a social security number or tax identification number, in any format, on this form.**
