Notice to Birth Parents

Do not complete this form for children born or adopted outside of New York State. The completed form will be submitted to the Court by the agency or attorney handling the adoption. The Court will send it to the Adoption Registry.

This form allows you to choose whether or not you would like the Adoption Registry to provide your name and address ("identifying information") to the adopted child. If you agree to the release of this information, the contact information will be provided to the child only if he or she registers with the Adoption Registry. The child will be able to register once he or she has reached at least eighteen years of age.

Checking **Yes** in item 4 on this form is not the same as giving consent to adoption or surrender. Whether you check **Yes** or **No**, your consent to or acknowledgment of the adoption or surrender will still be legal.

If you do not check either **Yes** or **No** we will treat your answer as **No** unless we already have a completed form from you on file. In that case, your previous choice will be retained and only your contact information will be updated.

You will not be notified if or when the Adoption Registry gives your information to the adopted child. It will be up to the adopted child whether or not he or she will request information or contact you.

If both birth parents consented to the adoption or executed a surrender instrument, then each must complete one of these forms. If either parent does not agree to the release of identifying information or later changes his or her mind and revokes agreement to the release of identifying information, the Adoption Registry will not release the name and address of either parent to the adopted child.

If you change your mind in the future you can complete a new form and agree to the release of identifying information or cancel your agreement by checking either **Yes** or **No**, having the form notarized and submitting the new form to the *NYS Department of Health, Adoption Information Registry, P.O. Box 2602, Albany, NY 12220-2602*.

The adopted child will receive the most current name and address that you have on file with the Adoption Registry. To make sure the child gets your current information, it is your responsibility to notify the Adoption Registry, in writing, if you change your name, address or other information. You may use this form to notify the registry of changes in your contact information.

You can file medical information updates with the Adoption Registry. Medical information must be submitted on your medical care provider's letterhead and include: medical care provider's name, address, telephone number and signature.
