10. Financial requirement pursuant to Business and Professions Code sections 17550.15 and 17550.16:

PLEASE CHOOSE ONE OF THE FOLLOWING OPTIONS TO FULFILL THE REQUIREMENT

- <u>OPTION 1:</u> Trust Account: A trust account is separate from an operating or general account. The trust account is used to deposit consumer funds and to pay your travel service providers. The trust account cannot be used for business and personal expenses, or to pay the seller of travel registration fee. After you have paid your travel service providers, you may withdraw monies owed to you as compensation for the sale of travel services. The operating account is used to pay out salaries, utilities, and such other operational expenses. Please complete <u>Question 10.a.</u> if you elect this option.
- **OPTION 2:** Surety Bond: You may elect to purchase a Surety Bond to protect customer payments. Your Surety Bond must be "adequate" to cover the amount that would be required to be held in a Trust Account if you were to have used a Trust Account. One way to estimate that amount that your Surety Bond should cover is to determine the highest single day's balance of customer money which would be held by you before being forwarded to the providers of transportation or travel services. You should make appropriate upward adjustments to your estimates and Surety Bond as circumstances change. Please complete Question 10.b. if you elect this option.
- **OPTION 3:** Consumer Protection Deposit Plan: You may elect to participate in the United States Tour Operators Association Consumer Protection Deposit Plan or any other Consumer Protection Deposit Plan which has been approved by the Attorney General and in full compliance of Business & Professions Code section 17550.16(b). A Consumer Protection Deposit Plan, by statute, requires depositing with the Administrator of the Plan a minimum of \$1,000,000. As of August 28, 2002, participation in the Deposit Plan is only by application to the United States Tour Operators Association (USTOA). Please complete <u>Question 10.c.</u> if you elect this option.
