8. REMARKS

PLEASE READ THIS CAREFULLY!

Initial each box to show that you have read and understand this application.

- I request that the court appoint an attorney to represent me in defense of the charges against me as I can not afford to retain private counsel.
- I understand that if an attorney is appointed to represent me, I shall be liable for all legal fees and any other court approved costs of my defense and will be ordered to repay the state according to my ability which will be determined by the Office of Cost Containment (OCC). I understand that I must contact OCC within 5 days to confirm my mailing address, verify my ability to repay and make ongoing payment and contact arrangements.
- I understand that if I do not agree with the eligibility findings or ability to repay decisions made by OCC, I may appeal to the court but must prove to the court that any claimed shortage of funds is total or permanent or future employment is unlikely.
- I understand that I am required to notify the OCC and the court of every change of address while I still owe the state for the cost of my representation. I further understand that if at any time prior to the disposition of my case, my financial condition changes, I must notify the Court and OCC immediately.

I swear that the foregoing information and answers are true to the best of my knowledge and are given to induce the state to appoint counsel to represent me because I am currently unable to retain private counsel. I have made the statements on the financial affidavit and understand that I make them under the penalty of perjury the punishment for which is imprisonment for not more than seven years. This has also been explained to me by a court officer.
