SCHOOL OUTINGS AND EXTRA-CURRICULA ACTIVITIES

- Your son may be involved in sporting activities and school outings such as trips to the local pools or travelling with a representative sports team. In these instances your son may not always be supervised by College staff but for example, by lifeguards or sports coaches.
 - Other off-site activities are fully supervised by college staff. As a boarding institute our staff carry a high level of responsibility and accountability for the safety of boarders to an extent that exceeds that of ordinary parents. We must therefore accord to the level of 'reasonable parents' and not 'ordinary parents'. This naturally leads us to feel cautious in what we can permit boarders to do.
 - This form is an endeavour to strike a balance between your and our responsibilities thus preventing excessive restrictions on what your son can or cannot do.
 - Please take time to consider these issues and contact the Residential Director or your son's Hostel supervisor should you have any questions or concerns.
- ☐ I give permission for my son to participate in college outings, college activities and extra-curricula activities.
- ☐ I accept that any activity carries a degree of risk either bodily or emotional injury or property loss.
- ☐ I accept full responsibility for my son when he is participating in activities not supervised by the college staff, including financial cost.
- ☐ My son understands that permission must be sought and granted to any off-site excursions and that conditions may apply in addition to parental consent. He understands that he must act within the rules of the college at all times and that he should not act in such a way as to endanger either himself or others.
- ☐ I also understand that Hato Pāora College Senior Management have the final decision in allowing my son to participate in any activities.
- ☐ I give/ I do not give (please circle one) permission for my son to participate in college outings, college activities and extra-curricula activities whether they are supervised by college staff or not.

RIGHTS AND RESPONSIBILITIES

STUDENT COMPUTER AND INTERNET USE AGREEMENT

Internet access is available to students, and staff of Hato Pāora College. We believe the Internet offers vast and diverse-resources to students and staff. This service will help to promote educational excellence in our school and hostel by facilitating resource sharing, communication and skills in finding and using information and innovative programmes.

The Internet is an electronic highway connecting millions of people and their computers world wide. Students and staff at Hato Pāora College have access to:

- 1 Electronic communication with people all over the world
- 2 Information from government sources, research institutions and many other sources

Access to people and computers all over the world also allows for the availability of material that may not be considered of educational value in the context of the college setting. On a global network, it is impossible to control all materials and an industrious user may discover controversial information. We firmly believe that the valuable information and interaction available on the Internet far outweighs the possibility that users may access material that is not consistent with the Learning Outcomes of the Curriculum. Life is a series of choices and consequences. Hato Pāora College has chosen to make Internet resources available to students, the consequence being that they can readily access enormous amounts of information.

If a student chooses to access resources that are objectionable, adult-oriented, or restricted, the consequences will be suspension or termination of continuing access. The signatures at the end of this document indicate that the signatories have read the terms and conditions and agree to abide by those terms.

COMPUTER AND INTERNET TERMS AND CONDITIONS

ACCEPTABLE USE

The original purpose of the Internet was and largely still is, to support research and education in and among academic institutions all over the world by providing access to unique resources. The use of Hato Pāora computers must support education and outcomes that are consistent with the learning opportunities of the Curriculum.

Use of another organisations' network or computing resources must comply with the rules appropriate for that network. Transmission of any material in violation of any NZ regulation is strictly prohibited. This includes but is not limited to material protected by trade secret.

ELECTRONIC MAIL (EMAIL)

Students are not allowed to use the various email services available on the Internet e.g. Hotmail. Individual email accounts for students are available from the school and will be setup for each student.

INAPPROPRIATE USE

Hato Pāora College staff and the Principal will determine what constitutes inappropriate use. The Principal may request the suspension or termination of computer access and use of any user who violates these acceptable practices.

STUDENT

I have read this agreement and understand the importance of the school rules for the use of computers, the Internet and will abide by the above use agreement.

I further understand that any violation of the regulations above is unethical and may constitute a criminal offence. Should I commit any violation, my access privileges may be revoked, and college disciplinary action may be taken and/or appropriate legal action may be instituted.

I hereby give permission to allow Internet access for my son.

ATTENDANCE DUES AGREEMENT FORM

students attending Catholic Schools are required to pay Attendance dues. These are for servicing school debts, insurance of school buildings, and costs permitted by legislation. The billing of Attendance Dues is centralised through Catholic Schools Board Limited (CSBL) at the Catholic Centre, PO Box 12 - 341, Wellington.

Prior to enrolment, the parents, or other persons taking responsibility for the student, must agree to pay Attendance Dues at a rate determined by the Proprietors and approved by the Minister of Education, or at such other rates as may be agreed from time to time between the undersigned and the person delegated by the Proprietors to act on their behalf.

The Catholic Schools Board Limited will send four invoices through the year, the first on or about 1 March, for the total family attendance dues to be paid.

In the event of default in payment, then recovery costs will be an additional expense to the parent or caregiver.

I/We the undersigned agree as a condition of enrolment and attendance to pay attendance at the rate levied from time to time by the school Proprietor.
