

Your gift to the Annual Fund directly supports University operations and is responsible for such things as the new classroom facility, innovative programs, and faculty and staff salaries. Your gift enables Baker students to continue to improve their skills in leadership, problem solving, critical thinking and team work. Making your tax deductible gift of \$150 in honor of Baker's sesquicentennial will ensure that Baker continues to provide a rich educational experience for working adults. Your gift will make the University stronger and help guarantee our success over the next 150 years.
