PLEASE TELL US MORE ABOUT THE PERSON WHO CAUSED THE BUTTHURT.

- They are a big meanie pooppy face who should be banned from Ingress and the internet forever or at least until they learn that I am right and superior and they are wrong and should bow down and worship me now...
- They deserve to be hunted down like a dog and shot dead on their own front porch.
- They and their faction deserve to be rounded up and herded into concentration camps.
- There should be laws to punish people like that.
- They should be kicked out of America, because we're the the home of the free and we just don't DO shit like that here.
- They should be just as accountable for their actions online as they are in the real world so I can have access to all their personal information so I can stalk them.
- All of the above.

DID YOU TAKE ANY ACTIONS YOURSELF REGARDING THE BUTTHURT?

- I wrote a six thousand word response detailing the extent of my butthurt and posted it all over G+.
- I whined and complained in open COMM and in all of my hangouts.
- I now report them to NIA anytime I see them do anything in COMM.
- I posted this persons RL information everywhere I could think of; they'll get a Molotov cocktail through their bedroom window sooner or later, and that'll teach them to mess with me.
- I realized that arguing on Ingress or the internet is usually pointless and found something else to do with my time.
