What Are the General Filing Instructions?

Please answer all questions by typing or clearly printing in black ink. If an answer is "none," write "none."

If you need extra space to answer any item, attach a separate sheet(s) of paper with your name and your Alien Registration Number (A#), and indicate the number of the item to which the answer refers.

Every application must be properly signed and accompanied by the appropriate fee. (See "**What Is the Fee**" on **Page 2** of these Instructions.) A photocopy of a signed application is not acceptable.

If you are under 14 years of age, your parent or guardian may sign the application on your behalf.

Translations. Any foreign language document must be accompanied by a full English translation that the translator has certified as complete and correct, and by the translator's certification that he or she is competent to translate the foreign language into English.

Copies. If these instructions state that a copy of a document must be filed with this application and you choose to send us the original, we may keep that original for our records. All copies must be clear and legible.

What Initial Evidence Is Required?

You must submit all required initial evidence as well as all supporting documentation at the time of your in person appearance at your local ASC. This includes:

- **Your Prior Card or Other Evidence of Identity.**

Renewing Expiring or Expired Card. If your card has already expired or will expire in the next six months, you will be required to submit your card at the time of your in person appearance at your local ASC.

Replacing Lost or Damaged Card. If your card has been lost, stolen, damaged or you never received it, bring a copy of your card, if you have one, to your in person appearance at your local ASC. If you do not have a copy and are at least 18 years old, you must bring an identity document, such as a driver's license, passport or a copy of another document containing your name, date of birth, photograph and signature to your in person appearance at your local ASC.

If you have been automatically converted to permanent residence status, you are considered to be replacing your card. In such case, you must bring your original temporary status document, with you at the time of your in person appearance at your local ASC.

- **Correction or Change in Biographic Data.**

All supporting documentation must be submitted at the time of your in person appearance at your local ASC. If you are applying to replace a card because of a name change, you must bring the original court order or a certified copy of your marriage certificate reflecting the new name to your in person appearance at the ASC. To replace a card because of a change of any other biographic data, you must bring copies of documentation to prove that the new data is correct. A replacement application based on a USCIS administrative error must also include an explanation.

Biometrics Services.

Applicants will now have their photograph, fingerprints and signature taken by USCIS. You no longer need to submit photographs with the Form I-90. When you file your Form I-90, USCIS will notify you in writing of the time and location where you must go for the required biometrics services. Failure to appear for the biometrics services may result in a denial of your application.

NOTE: Because USCIS is now taking photographs of applicants, you no longer need to submit photos with your application.

What Is the Fee?

The fee for this application is **\$185.00**.

The fee for biometrics services is **\$70.00**.

You may submit one check or money order for both the application and biometrics fees, for a total of **\$255.00**.

Exceptions. There are three exceptions to having to pay the **\$185.00** application filing fee:

- If you are filing only because when your card was issued it was incorrect due to a USCIS administrative error.
- If you are filing only because you never received your card.
- If you are filing only to register at age 14 years, and your existing card will not expire before your 16th birthday.

NOTE: All applicants, regardless of age, are required to submit the **\$70.00** biometrics services fee.

Fee Payment. If you are submitting this paper version of Form I-90, include a check or money order with your application.

Fees must be submitted in the exact amount. Fees cannot be refunded. **Do not mail cash.**

All checks and money orders must be drawn on a bank or other financial institution located in the United States and must be payable in United States currency. The check or money order should be made payable to the **U.S. Department of Homeland Security, unless:**

- If you reside in Guam, make your check or money order payable to the "Treasurer, Guam."
- If you reside in the U.S. Virgin Islands, make your check or money order payable to the "Commissioner of Finance of the Virgin Islands."

Checks are accepted subject to collection. An uncollected check in payment of an application fee will render the application and any document issued invalid. A charge of \$30.00 will be imposed if a check in payment of a fee is not honored by the bank on which it is drawn.

Notice to Applicants Making Payment by Check. If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually occur within 24 hours, and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep a copy of it. If the EFT cannot be processed for technical reason, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to two times.

What Is Evidence of Registration?

A pending application for a replacement permanent resident card is temporary evidence of registration.

What Is the Processing Information?

Acceptance. An application is not considered properly filed until it is accepted by USCIS.

Initial Processing. Once the application has been accepted, it will be checked for completeness. If you do not completely fill out the form, you will not establish a basis for eligibility and we may deny your application.

Requests for More Information or Interview. We may request more information or evidence or we may request that you appear at a USCIS office for an interview. We may also request that you provide the originals of any copies you submit. We will return these originals when they are no longer required.

Decision. If your application is approved, your Permanent Resident Card will be manufactured and mailed to you. If your application is denied, we will mail you a notice explaining why we made such decision.

What If You Change Your Address?

If you change your address after filing for a new card, you must fill out a Form AR-11, Alien's Change of Address Card. Enclose the AR-11 in an envelope and mail it to the USCIS address listed on that form.

NOTE: USCIS mail is not forwarded by the U.S. Postal Service. It is returned to our mailing office as undeliverable. USCIS will destroy undeliverable cards if not claimed by the applicant within one year.

In addition, you will face severe penalties provided by law and may be subject to criminal prosecution.

Privacy Act Notice.

We ask for the information on this form and associated evidence to determine if you have established eligibility for the immigration benefit you are seeking. Our legal right to ask for this information is in 8 USC 1302 and 1304. We may provide this information to other government agencies. Failure to provide this information and any requested evidence may delay a final decision or result in denial of your request.

Paperwork Reduction Act Notice.

A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

We try to create forms and instructions that are accurate, can be easily understood and that impose the least possible burden on you to provide us with information. Often this is difficult because some immigration laws are very complex.

The estimated average time to complete and submit this application is computed as follows: (1) 10 minutes to learn about the law and form; (2) 10 minutes to complete the form; and (3) 35 minutes to assemble and submit the application, including the required submission of this application; for a total estimated average of 55 minutes per application.

If you have comments regarding the accuracy of this estimate or suggestions for making this form simpler, you may write to the U.S. Citizenship and Immigration Services, Regulatory Management Division, 111 Massachusetts Avenue, N.W., Washington, DC 20529; OMB No. 1516-0082.

NOTE: Do not mail your completed application to the Washington, D.C. address listed above. That office does not accept applications. Mail your application to the USCIS Lockbox facility listed on Page 1 of these Instructions.
