

Informed Refusal Form

My physician, _____, has recommended the following test/procedure/treatment: _____

He/she has explained to me that the potential benefits of the test/procedure/treatment include: _____

and that the risks are: _____

Despite my physician's recommendation, I refuse to consent to this medical treatment. The physician has explained the following risk to my refusal. They include, but are not limited to: _____

By signing this document, I acknowledge that my medical condition has been evaluated and explained by my physician, who has recommended treatment as stated above, and that the doctor has explained to me the potential benefits of such treatment and the risks associated with it, as well as the probable risks of not following the recommended treatment, which I fully understand. In spite of this understanding, I refuse to consent to this medical treatment.
