

Our Mission...

- To promote and preserve the general welfare of testing and its value to society, in all its forms and uses.
- To organize test publishers into a permanent body to foster and maintain collegial relations among themselves and to establish, through the Association, working relationships with other professional and business groups whose interests and activities affect the test publishing community.
- To encourage a high level of professionalism and business ethics throughout the testing community.
- To serve as the principal organization that monitors and responds to regulatory and legal rulings as well as legislative, regulatory and judicial initiatives that pertain to the business of publishing and applying test and assessment instruments.
- To increase the strength and cohesiveness of the test publisher community by providing programs of education, training and exchanges of ideas on operations and industry trends.

About ATP...

Established in 1992, the Association of Test Publishers (“ATP”) is an International non-profit organization representing providers of tests and assessment tools and/or services related to assessment for clinical, occupational, certification, licensure, educational or other similar uses.

ATP’s membership is composed of the leading publishers and assessment services providers in today’s testing industry. A Chief Executive Officer and Board of Directors heads up the Association. A Chair is selected each year from among the Board members and serves a one-year term of office. Presently there are four Practice Area Divisions: Clinical, Certification/Licensing, Education, and Industrial/Organizational; and four Regional Divisions in Asia, Europe, India and North America. Members can join one or more Divisions or Regions.
