Payment

Check here to give ATIA permission to charge your ATIA Membership Fee using credit card information provided below. Payment for ATIA 2011 membership fees is due by January 26, 2011 (prior to the 2011 Orlando Conference) in order to participate in onsite space selection for 2011 Orlando and to maintain member booth rate as honored at onsite space selection for 2011 Chicago. If exhibiting company is not renewed for 2011 ATIA Membership by January 26, 2011, price for booth space will automatically adjust to Non-Member rate of \$2550.

Payment of 50% of the booth fees is due at the time application is received. You will not be recognized as an exhibitor at the conference(s) or receive confirmation until the deposit is received. Payment is due in full for 2011 Chicago and 2012 Orlando booths by July 15, 2011. If full payment is not received by this date, 1) your booth assignment made at the time of onsite space selection will be released and your company will have to select another booth space from the available options at that time and 2) your company and company information may not be included in ATIA conference marketing materials.
