NOTE: Keep this form for your records.

GUIDELINES FOR INCREASING YOUR CONTRIBUTIONS

1. You can increase your contribution rate above the mandatory 6% as per Section 77(2): Superannuation (General Provisions) Act 2000.
2. Your increase will not effect the employer's portion. The employer has the option of increasing it's portion from the mandatory rate of 8.4% to a maximum of 15%. This is the prerogative of the employer.
3. Make a copy of this form for your records while the original is given to your Human Resource/Payroll section to effect the changes.
4. If you have further queries or require assistance regarding this Form, you can contact the Client Service section at:
