I desire the possession of a pistol for:

- The protection of myself, my home, business, property or family; or
- Target shooting; or
- Collections; or
- Hunting

Confirmation of Application: An untruthful answer will subject the applicant to the denial of a pistol permit. Each question must be answered with a "Yes" or "No" inserted on the line prior to each question. A "Yes" answer may disqualify you from obtaining a permit.

- Are you under indictment or have a finding of probable cause been entered for a pending felony charge?
- Have you been adjudicated guilty in any court of a felony?
- Are you a fugitive from justice?
- Are you an unlawful user of or addicted to any controlled substance and/or including alcohol?
- Have you been adjudicated as a mental defective or been committed to a mental institution or detox facility?
- Have you been discharged from the Armed Forces under dishonorable conditions?
- Have you been convicted of a misdemeanor under federal or state law which has, as an element, the use or attempted use of physical force, or the threatened use of a deadly weapon, committed by a current or former spouse, parent or guardian of the victim, by a person with whom the victim shares a child in common, by a person who is co-habiting with or who has co-habited with the victim as a spouse, parent or guardian, or by a person similarly situated to a spouse, parent or guardian of the victim.

Are you subject to a court order that:

- Was issued after a hearing of which the person received actual notice, and at which the person had an opportunity to participate;
- restrains the person from harassing, stalking, or threatening an intimate partner of the person or child of the intimate partner of the person, or engaging in other conduct that would place an intimate partner in reasonable fear or bodily injury to the partner or child; and
- includes a finding that the person represents a credible threat to the physical safety of the intimate partner or child; or by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against the intimate partner or child that would reasonably be expected to cause bodily injury?

Are you an alien who is illegally or unlawfully in the United States?

Having been a citizen of the United States have you renounced your citizenship?

Prohibitions applicable to certain aliens: Federal law makes it unlawful for aliens who are illegally or unlawfully in the United States to receive or possess firearms. In addition, subject to certain exemptions, aliens who are in a non-immigrant status are prohibited from possessing or receiving firearms in the United States. A non-immigrant alien is not subject to this prohibition if the alien:

1. is in possession of a valid hunting license or permit lawfully issued in the United States.
2. is an official representative of a foreign government who is accredited to the United States Government or his or her government's mission to an international organization having its headquarters in the United States; or
3. has received a waiver from the prohibition from the Attorney General of the United States.
