help you to submit the details of your Organization for participating in e-Tenders / RFPs processed using the e-Procurement System.

By clicking the 'Accept' button below on this website and continuing to use the e-Procurement System, you are stating that you have read and agreed to the Usage Agreement and Privacy and Confidentiality Policy below.

If you choose to click on 'Decline' button, you will be unable to use the e-Procurement System.

Terms of Use And Privacy Policy

USAGE AGREEMENT

The ISRO e-Procurement Portal provides an electronic government procurement software system and related services through which the Indian Space Research Organisation (the "Buyer") and the Buyer's contractors/vendors/suppliers ("Vendors") can establish an electronic platform for the tendering and bidding ("the Transactions") of works, goods and services. These services are accessible through the web site ("Portal"), located at <https://eprocure.isro.gov.in>

This Usage Agreement and the [Privacy and Confidentiality Policy](#) govern each Vendor's use of the Portal and participation in the Transactions, and, together, constitute the "Terms and Conditions." By continuing to use this Portal, each Vendor accepts and is legally bound by these Terms and Conditions. Continued access to the Portal and its services, including without limitation, all licenses granted hereunder, is subject to compliance with the Terms and Conditions and any breach of the Terms and Conditions will be pursued by legal action to the fullest extent possible.
