As stipulated under California Vehicle Code Section 11709.1, the prospective purchaser of a vehicle may, at his or her own expense and with the approval of the Dealer, have the vehicle inspected by an independent third party wither on or off these premises.

I, the purchaser, understand that I am purchasing a previously owned/used vehicle, I have been advised by the Dealer and understand that because it is a used vehicle, Dealer cannot make representations as to the past use of the vehicle. For example, it may have been a privately-used vehicle, a rental vehicle, a public entity vehicle, or a previously leased vehicle.

It is possible that the vehicle has sustained wear and tear, impact damage, frame damage, frame cracking, corrective welds, or rusted through Dog tracks- bent or twisted frame and/or body damage.

I, the purchaser, certify that the sales representatives at _____ representations and/or promises concerning the previous history of this vehicle. Under the terms of California Vehicle Code 11709.1, I have been given the opportunity by the dealer to have an independent third party inspect the vehicle either on or off these premises, and have chosen not to do so.
